

## Personal Information

**Nada Magdy Youssef ElShaarawy**

- **Address:** Giza, Egypt.
- **Phone no.:** +20 01146159493
- **Email:** [sharwynada@gmail.com](mailto:sharwynada@gmail.com).  
[nadamagdy@sci.asu.edu.eg](mailto:nadamagdy@sci.asu.edu.eg).
- **Nationality:** Egyptian.
- **Date of birth:** 25 August 2001
- **Marital status:** Single.

## Education

- **Bachelor's degree in science, Faculty of science, Ain Shams University.** (2019- 2023)
  - **Major:** Special microbiology department.
  - **Grade:** 94, 6 %, Excellent. (**GPA= 3.935/4**), First class honor.
  - Ranked 1<sup>st</sup> of microbiology department and 3<sup>rd</sup> of faculty students.
  - **Graduation project:** *The Role of Microbes in Bioremediation of Radioactive Wastes.*  
**Grade:** Excellent.
- **Premaster courses in microbiology, Faculty of science, Ain Shams University.**  
(2023- 2024)
- **Master of science in microbiology, Faculty of science, Ain Shams University.** (2025- now)  
Thesis title " *Exploring  $\beta$ -Glucan from Fungal Isolates as Immunostimulant: Extraction, Characterization, and Medical Applications.*"

## Awards

 Medal of excellence for college for being the first in microbiology department, Faculty of Science, Ain shams university.  
(May 2025)

## Experience

- Demonstrator at Faculty of Science, Ain Shams University. (September2024- Now)
- Medical Rep at Hermanos Pharma. (Jan - May2024)
- Trainer and Scientific Office at Phytobiochem Company. (Aug - Oct 2023)

## Training and Courses

- Workshop Entitled: Scientific Writing. (November 2024)
- Trained in National research center (Microbial biotechnology). (July 2023)
- Workshop Entitled: Quality control. (September 2022)
- Trained in Dr. Gamal Abouelazayem psychiatric hospital:  
(Medical analysis "Blood sampling& collection, Hematology principles, Lab  
technology, Immunoassay"). (September 2022)
- Workshop Entitled: Basics of modern microbiology and recent techniques for bacterial  
isolation. (August 2022)
- Trained in CID pharmaceutical company. (Jul - Aug 2022)
- Trained in National research center (Microbial genetics). (July 2022)
- Trained in Memphis CO. (Pharmaceutical industry + GMP). (Aug - Oct 2021)
- Trained in Agriculture research center:  
(Soil, Water & Environmental research institute). (August 2021)
- Diploma in pharmaceutical manufacturing. (Jan- Feb 2021)
- Trained in a pharmacy. (Aug - Sep 2020)
- Medicinal analysis course. (July 2020)
  - CBC. - ESR. - Blood group test. - Pregnancy test.
  - Urine analysis. - Stool analysis.

## References

- **Prof. Dr. Yousseria Mohamed Hassan Shetaia**  
Professor of Microbiology (Mycology), Faculty of Science, Ain Shams University.
